

An initiative of **Historica Canada**, [The Memory Project](#) invites veterans and Canadian Forces members to share their military experience with fellow Canadians, young and old. Through an online archive and speakers bureau, more than 1.5 million Canadians have heard their stories.

[Historica Canada](#) is the country's largest organization dedicated to enhancing awareness of Canadian history and citizenship. Our programs, all offered bilingually, reach more than eight million Canadians annually. Our goal is to bring history to life with rich and compelling stories of national interest.
